### ORDER:-

1. Vide references 2<sup>nd</sup> read above, the Director, Ground Water Department has informed that, Ground Water Department monitors the ground water quality by collecting and analyzing the water samples from its established network of observation wells, piezometers covering all the Districts in state. The Department has established six ground water quality labs during HP-I period 1998-2003 located at Hyderabad, Karimnagar, Kurnool, Kadapa, Visakhapatnam and Rajahmundry respectively for analysis of chemical constituents suitable to agriculture in Ground Water. Though a very good infrastructure facilities for monitoring water quality were created at these Laboratories, the staff required at these labs is insufficient as no posts are created in new labs and also retirement of Lab Assistants, Assistant Chemists, Assistant Director and Deputy Director in the existing posts.
2. Vide Reference 1<sup>st</sup> read above, among others, sanction was accorded for creation of 44 posts in various categories, by re-deployment or deputation from other Departments. Among the above posts, as reported by the Director, Ground Water Department, 39 posts were allocated for Water Quality Laboratories. In spite of several efforts, these posts could not be filled up since applications have not been received from other organizations.
3. The Director, Ground Water Department has therefore requested to accord permission for filling up of 44 Nos of posts in various categories by outsourcing.
4. Government, after careful examination of the matter, hereby accord permission to the Director, Ground Water Department for filling up of 44 Nos of posts in Water Quality Laboratories by outsourcing for a period of 1 year initially or till they are filled up by regular employees subject to meeting the expenditure within the budget provision duly following the outsourcing guidelines for implementation of Hydrology Project –II as detailed below.
